

**Faculty of Theology**  
**STD Dissertation Plagiarism AI Disclaimer**

**Information**

All students are required to be familiar with the university Plagiarism Policy which can be found at: <https://angelicum.it/wp-content/uploads/2022/10/Norme-sul-Plagio.pdf>

In addition to the prohibited practice of plagiarism, students are also not allowed to use AI (artificial intelligence) resources – such as ChatGPT – in their academic work, including dissertations.

**PUST Faculty of Theology Anti-Plagiarism Policy**

The Dean's Office will check the dissertation for plagiarism and the use of artificial intelligence, using the software currently approved by the university. If any significant part of a document submitted is found to be plagiarized or produced by artificial intelligence, the entire dissertation will be rejected, with no possibility to submit another dissertation in the same faculty. (A significant part of a dissertation is more than three paragraphs.)

**Plagiarism and AI Disclaimer**

I hereby declare that my STD dissertation titled ... is my own and autonomous work. All sources and aids used have been indicated as such. All texts either quoted directly or paraphrased have been indicated by in-text citations. Full bibliographic details are given in the reference list which also contains internet sources containing URL and access date. I declare that I have not used artificial intelligence (including ChatGPT and similar tools) to write my dissertation. I also confirm that this work has not been submitted to any other examination authority.
